## Introducing: Tips for Early Learning Programs

### Topics to support optimal child development

---

ABCD will be sending bi-weekly tips for supporting optimal child development in your program. Programs are encouraged to use the “Team Discussion Questions” and additional resource links with staff. Topics include tips related to:

- Observing Development
- Documentation Tips for Monitoring Development
- Screening Guidelines and Tips
- Supporting Different Levels of Ability in the Classroom
- Building Your Network of Community Partners
- Communication, Collaboration and Connections
- Building Healthy Brains
- Challenging Behavior

Share with others and encourage them to subscribe -- [CLICK HERE!](#)
